DEPARTMENT OF CIVIL ENGINEERING

DEPARTMENT AT A GLANCE

- Civil Engineering Department has started its journey in 1985 with intake of regular shift of 60 and second shift intake of 60 started from year 2012. A total 337 students enrolled in the department for this academic year 2023-24. The department has well qualified and experienced faculty, dedicated staff, well equipped laboratories, software, teaching aids like LCD projectors, computers, high speed internet etc.
- Different portfolios of Institute and department were allotted to the faculty and staff for smooth conduct of activities. NBA preparations also in progress under the guidance of Heads and coordinator. Class representatives and class teachers were appointed. Academic activities are governed by the both HODs and appointed department academic coordinators. Departmental meetings for academic and administrative purposes are conducted from time to time. Faculties also deputed to the trainings.
- Further all the faculty members extended their guidance to as class teachers / Batch mentor for all the Civil Engg. students, regarding having poor performance in studies / poor performance in progressive test marks, scholarships, projects, industrial training work, and other MSBTE or other activities.
- Further orientation workshops also conducted for third year students. Educational visits, Expert lectures, group discussions were arranged to develop the students. Students feedback also collected by Head of department and communicated to the concerned faculty.
- Students also gave chance for visits, expert lectures, paper presentation, swacchatta abhiyan , dipex and IDSSA sports. Good record keeping like achievements, expert lectures, test marks, Meetings, Visits, class teacher works are recorded in registers and Students prizes/certificates, NBA works, academic information, civil works, Municipal works, financial bills etc are kept in files.
