

ABOUT INSTITUTE

Government Polytechnic, Jalna is one of earliest government polytechnics established by the Government of Maharashtra in the state. This polytechnic was established in the year 1985. The institute offers Diploma in Engineering Courses in five engineering disciplines viz. Civil, Chemical, Computer, Electrical and Mechanical Engineering. The institute has a total intake capacity of 450 students. It is affiliated to the Maharashtra State Board of Technical Education (MSBTE), Mumbai. Recently the Chemical Engineering programme was awarded NBA Accreditation.

DEPT OF MECHANICAL ENGINEERING

This department was established in the year 1985. Currently it has an intake capacity of 120 students. The department has a good placement record and passed out students are regularly placed in good industries in and around Jalna.

VISION OF DEPARTMENT

To be a centre of value-based diploma education for creating competent mechanical engineers and entrepreneurs catering to the needs of society and industry.

MISSION OF DEPARTMENT

To provide conducive academic environment for pursuing education in mechanical engineering.

To practice quality teaching learning processes.

To enhance industry institute interaction for solving real life problems.

To inculcate high moral values, work ethics and environmental concerns and to promote lifelong learning.
