Message from HOD:

Civil Engineering Department has started its journey in 1985 with intake of regular shift of 60 and second shift intake of 60 started from year 2012. A total 337 students enrolled in the department for this academic year 2023-24. The department has well qualified and experienced faculty, dedicated staff, well equipped laboratories, software, teaching aids like LCD projectors, computers, high speed internet etc.

This newsletter mirrors the success story of the department and reflects upon the persistent and committed efforts made by faculty, staff and students for taking the department one step ahead. This newsletter reflects the commendable contribution made by all members, their fields of expertise as well as for the overall development of the department. Our endeavor is to give a glimpse of the activities of the department to all the stakeholders.

I also congratulate the editorial team for bringing out present newsletter.

Wishing you all the best...
